

MUOVISKI 2012

LEVI MOUNTAIN 9.-12.2.2012 (Thursday to Sunday)

Seminar for Plastics Professionals

PRODUCTION OPTIMATION

The meeting forum for plastics professionals

MuoviSki is the biggest annual plastics happening in Finland with almost 100 participants per year.

Format

In the afternoons there are expert lectures. The lectures are scheduled to take place between 16:00 and 20:00. The mornings and daytime are dedicated to outdoor activities of free choice. On Friday daytime we have the free practice of the MuoviSki 2012 Championships and the actual race takes place Saturday at noon. The detailed schedule will be ready in early January.

The time outside the official program is widely used in networking and new business relationships.

The phenomenal Levi Mountain

Levi has excellent World Cup standard slopes and good seminar facilities. There are very good services at a very short distances in Levi area. The Levi Mountain is very popular and liked place to have seminars at.
